Cassis invites public testimony at hearing on possible Michigan Tax Tribunal irregularities

LANSING— State Sen. Nancy Cassis, R-Novi, today invited the public to report any irregularities it has experienced with the Michigan Tax Tribunal.

“A number of taxpayers have already come forward to us with concerns with the way the Michigan Tax Tribunal handled their case,” said Cassis, chair of the Senate Finance Committee. “While I hope that these are isolated incidents, I want Michigan taxpayers to know that they have a forum to air their grievances.”

The Senate Finance Committee hearing is on Wednesday, September 20, 2006, at noon in room 110 of the Farnum Building, 123 West Allegan St. in downtown Lansing.

The Michigan Tax Tribunal was created to provide a way for taxpayers with disputes concerning their taxes to receive a quick and fair ruling on their cases.

To schedule testimony, contact Cassis’ office at (517) 373-1758. If unable to attend, send an email to OfcNCassis@senate.michigan.gov, a fax to (517) 373-0585 or a letter to The Honorable Nancy Cassis, State Senator, P.O. Box 30036, Lansing, MI 48909-7536.
